

ABBOTS FARM INFANT SCHOOL

Children's Self Evaluation- January 2026 Written by School Council 2025- 2026

What makes our school good?

" We have three rules."
"We all work together."
"We do good listening, good sitting and good learning."
"We help others."
"Everybody does all of their star jobs."
"We don't hurt each other."
"We don't hurt each other."

How do the grown- ups help children who find it difficult to learn?

"They tell you of the star jobs when you struggle to remember them."
"They help children with star jobs."
"They give me a now a next board that helps me to know what they are doing now, next & later."
"They encourage us."
"They give us a sound mat."
"They give me a number line."
"Play with us until we know what to do and then play with someone else."

What makes teaching and learning good?

"Because we learn inside and outside."
"We learn new things."
"We get to choose our learning."
"We get to do lots of star jobs."
"We get to do learning with our friends - that is way better than at high school."
"Being able to move around all day."
"The grown ups make it very very fun."
"I am allowed to keep trying, it doesn't matter if it is wrong."

How do we show we care about others?

"We share toys."
"If people need help we help them."
"We like our friends just the way they are."
"If you hurt yourself children will take you to a grown up."
"By doing nice things for other people."
"They smile."
"A grown up is always waiting for you when you come to school."

What makes children feel safe?

"We are safe because children don't hit each other."

"The school rules make us feel safe."

"Not running keeps us safe."

"Grown-ups keep us safe because they are safe and responsible."

"Red lines help us to keep ourselves safe."

"The gate is always shut."

How well do children behave?

"Most of the time everyone acts lovely."

"Children are good."

"If someone is not being safe they have to speak with the grown-ups in the classroom."

"Children are most of the time good."

How do we help keep children fit and healthy?

"At snack time we have fruits and vegetables."

"We don't eat junk food at school."

"We do long PE."

"When we are learning outside we are moving around and we can practice some of those PE things."

"We have star jobs that represent PE."

"Our school dinners have vegetables."

"We have water in our classrooms and at lunchtime every single day."

"We try to drink all of the water in our water bottles."

"Football, Cricket, Gymnastics and Tang Soo Do after school help us to be fit and healthy."

"We play on our playground after we have eaten our lunch."
